### **WHO WE ARE:**

- **Blair Engineering Southeast Inc.** has operated as a well-established sourcing company that employs Sales Engineers with engineering and physics backgrounds, for **31 years**. During this time, we forged strong partnerships with domestic and foreign suppliers. We aim to offer innovative and dependable sources of engineered components.
- Our track record speaks for itself in delivering bespoke and pre-made solutions using various production techniques. Our exceptional ability to identify and implement cutting-edge ideas and solutions from conception to completion sets us apart.
- Our commitment to quality is rooted in our extensive collaboration with esteemed clients in the military, industrial and aerospace industries. Through these partnerships, we have gained a deep familiarity with the applicable specifications and quality standards that define these rigorous sectors.
- Our sales engineers are seasoned professionals with a unique blend of technical and sales knowledge, enabling them to offer unmatched professionalism and dependability. Drawing from their engineering and applied physics backgrounds, our team provides expert advice with a practical, hands-on approach to business.
- We raise the bar for the entire project experience by providing active program management and clear communication once the order has been placed. Our history of delivering projects on schedule and within budget is a testament to our capabilities.
- We are fully committed to establishing enduring relationships with our clients and suppliers, and we demonstrate this by promptly and efficiently addressing any challenges or concerns that may arise. Our goal is and will always be to exceed our customers' expectations in every metric.

#### **WE SUPPLY PRODUCTS SUCH AS:**

- SS Relays
- Rotary
- Axial
- Relays
- Keypads
- LCDS
- Handles
- Latches
- Hinges
- Fasteners
- IC Sockets
- Connectors
- Backshells
- Touch Panels
- Torque Inserts
- Linear Dampers
- Power Supplies
  - ✓ Wall Adapters
  - ✓ Gan & Pd Chargers
  - ✓ Wireless Chargers
  - ✓ Industrial
  - ✓ Open Frame & IPC
- HMI Products
  - ✓ Switches
  - ✓ Joysticks
  - ✓ Indicators
  - ✓ Assemblies
- Contactors
  - ✓ MIL Contacts
  - ✓ Spring Loaded Contacts
- Wire Harnesses
- Positioning Hinges
- Wire Wrap Clutches
- Custom Solenoids
- Precision Springs
- Class 2 Transformers
- Motor Run Capacitors
- Motors & Blowers
- Class II Transformers
- Cable Assemblies
- Electro-Hydraulic
- Electronic Sub-Assemblies
- Electro-Magnetic Devices
- Miniature and Industrial Switches
- Pem® Brand
  - ✓ Self-Clinching
  - ✓ Broaching
  - ✓ Flaring
  - ✓ Surface Mount Fasteners
- Thermal And Acoustic Insulation Products
  - ✓ Fabric Insulation Blankets
  - ✓ Metal Foil Blankets
  - ✓ Sheet Metal Blankets
- Custom Molded and Fabricated Rubber Products
  - ✓ Shock
  - ✓ Vibration Isolators
